AU CHALET EN BOIS ROND

INSPIRATION

Au Chalet en Bois Rond is the opportunity to immerse yourself in an inspiring environment, thanks to the fresh air that allows you to find new ideas or simply set new goals. It is also an occasion to reward your best salespeople, thank your customers or even strengthen the links of your team. Au Chalet en Bois Rond will surely meet your needs and interests. The Portneuf enterprise Au Chalet en Bois Rond welcomes small, medium and large businesses throughout Quebec, all year long. The tourist village, located in Sainte-Christine d'Auvergne, now has 79 luxury log cottages, just 45 minutes from Quebec City. It has more than 4 square kilometers of nature. The lakes, the forest, the falls, the Sainte-Anne River and our nature stimulate these same businesses to return each year. The cottages accommodate between 2 and 40 people, have large spaces for meetings of all kinds, allowing you to refocus and establish your business priorities.
